This booklet explains how to throw away household garbage in Akaigawa. Please use

this booklet along with the garbage calendar to make sure you dispose of your garbage in the correct way.

Please take a careful look at this booklet, and throw away your garbage correctly.

Garbage discarded using bags other than the designated ones will not be collected, and will be marked with a "Non-acceptable" sticker

Household garbage is classified into various types from the standpoint of recycling. Separate and dispose of each type of garbage in the correct manner.

Separate garbage into four different categories ; burnable ; unburnable ; plastic ; recyclables

Please dispose of garbage by 8:30 a.m. on the collection day.

Don't dispose garbage the night before or after or the garbage has been collected.
